# EDITORIAL

Welcome to the June 2023 edition of Valorem, your newsletter from the esteemed Dinamico Consulting. Our mission is to delve into topics that shape society and inspire progress, and this issue is no exception.

In this edition, we shine a light on Nigeria's journey towards a brighter future, emphasizing the significance of embracing frugality and resilience, especially in light of recent changes under the new regime. Discover how these qualities play a pivotal role in the country's growth and development, paving the way for a prosperous tomorrow.

Education holds the key to shaping the future, and we dive into the realm of virtual learning as a sustainable solution for both tutors and students. Explore the transformative potential and numerous benefits of online education, revolutionizing traditional learning methods and expanding access to quality education.

In a world where collaboration and expertise wield immense power, we proudly showcase the extraordinary partnership between Dinamico Consulting and TGroup. Together, they empower society by leveraging their unique strengths, fostering innovation, and driving positive change across various sectors.

We regret to inform our readers that the highly anticipated Inter-Schools Chess Challenge has been postponed. While we share in the disappointment, we emphasize the utmost importance of prioritizing the safety and well-being of all participants. Stay tuned for updates as we diligently work towards rescheduling this thrilling event, now planned for September 2023.

Furthermore, gain valuable insights from our esteemed tutors as they share their perspectives in "Our Tutors Speak." Their expertise and experiences offer a nuanced understanding of the ever-evolving education landscape, providing valuable guidance and inspiration to both learners and educators alike.

Join us on this enlightening journey as we explore the themes of frugality, virtual learning, collaboration, and eagerly anticipate the rescheduled Inter-Schools Chess Challenge. Valorem is committed to informing, inspiring, and empowering our readers, fostering a vibrant community of knowledge seekers and change-makers.

# **EMBRACING FRUGALITY AND RESILIENCE: NIGERIA'S PATH TO A BRIGHTER FUTURE.**

In the wake of Nigeria's recent regime change, the nation finds itself at a critical juncture. Over the past month, Nigerians have experienced a surge in transportation costs and a general rise in the cost of living. However, amidst these challenges, one cannot help but admire the resilience and indomitable spirit of Nigerians, who have shown remarkable strength in weathering any storm. As we navigate these trying times, it is essential to recognize the need to reduce costs, embrace frugality, and foster individual productivity and creativity. By relying less on government jobs and efforts, Nigeria can pave the way for a brighter future.

Nigeria has witnessed a significant increase in transportation costs over the past month. This surge has had a profound impact on the daily lives of citizens, affecting their ability to commute efficiently, access basic amenities, and even pursue livelihoods. Additionally, the rising cost of living has put a strain on household budgets, making it increasingly challenging for Nigerians to make ends meet.

In the face of these challenges, Nigerians have displayed their resilience time and time again. Throughout history, Nigerians have shown remarkable strength and adaptability, finding innovative ways to overcome obstacles. Whether it be through informal transport networks, community support systems, or entrepreneurial ventures, Nigerians have exemplified their ability to adapt and persevere.

To combat the rising costs, it is imperative that Nigerians embrace frugality and reduce unnecessary expenses. This entails a conscious effort to evaluate our spending habits, cut down on excesses, and prioritize our needs over wants. By adopting a frugal lifestyle, individuals can create financial stability for themselves and their families, ensuring a stronger foundation to weather economic challenges.

As we adapt to a changing economic landscape, it is crucial to rely less on government jobs and efforts. Nigerians possess immense talent, creativity, and entrepreneurial spirit, which should be harnessed to drive innovation and economic growth. By focusing on mental productivity and creativity, individuals can explore alternative income streams, start businesses, or engage in freelance work. This shift will not only enhance personal financial well-being but also contribute to the overall development of the nation.

While it is essential for the government to create an enabling environment for economic growth, it is equally crucial for individuals to reduce their dependence on government jobs and initiatives. Relying solely on the government limits personal growth opportunities and stifles innovation. Nigerians must take charge of their own destinies, cultivate a strong work ethic, and explore diverse avenues for success.

As Nigeria ushers in a new regime and navigates the challenges of increasing transportation costs and the rising cost of living, it is paramount that we embrace frugality, foster resilience, and reduce our dependence on government efforts. By cutting down on excesses, increasing mental productivity and creativity, and exploring alternative income streams, Nigerians can pave the way for a brighter future. Together, let us overcome these challenges and build a Nigeria that thrives on the strength and ingenuity of its people.

*Olugbenga Sile is Principal Consultant of Dinamico Consulting.*

**“ Together, let us overcome these challenges and build a Nigeria that thrives on the strength and ingenuity of its people. ”**

## EMBRACING VIRTUAL LEARNING:

---

### A SUSTAINABLE SOLUTION FOR TUTORS AND STUDENTS.

---

In light of the recent surge in transportation costs and the rising cost of living, Dinamico Consulting recognizes the need to adapt to the evolving educational landscape. To address these challenges and provide a sustainable solution, we are excited to introduce a 70-30 ratio of physical classes to virtual classes. By embracing virtual learning, both tutors and students can benefit from increased flexibility, cost-effectiveness, and the utilization of advanced online platforms such as Zoom, Google Meet, or Microsoft Teams. This transition reminds us of the successful implementation of virtual classes during the challenging times of the Covid-19 pandemic, highlighting the potential for continued growth and effectiveness in remote learning.

## THE ADVANTAGES OF VIRTUAL CLASSES:

1. **Enhanced Flexibility:** Virtual classes offer the flexibility for tutors and students to engage in learning from any location, eliminating the need for time-consuming and expensive commutes. This newfound flexibility allows for more efficient time management, enabling individuals to balance their academic pursuits with other responsibilities.
2. **Cost-Effectiveness:** With rising transportation costs and a challenging economic climate, virtual classes provide an affordable alternative. By eliminating the need for daily travel, students can significantly reduce their expenses, including transportation fees and other associated costs. Additionally, tutors can save on commuting expenses, allowing for a more sustainable and economically viable teaching model.

3. **Utilizing Advanced Online Platforms:** Platforms such as Zoom, Google Meet, and Microsoft Teams provide a seamless and interactive virtual learning experience. These platforms offer features such as video conferencing, screen sharing, chat functions, and document sharing, which mimic the dynamics of a traditional classroom setting. Tutors can utilize these tools to deliver engaging lectures, conduct discussions, share resources, and provide real-time feedback to students.

## MAXIMIZING THE BENEFITS OF VIRTUAL LEARNING:

1. **Embracing Technological Proficiency:** Students are encouraged to familiarize themselves with the virtual learning platforms to maximize their learning experience. Learning the functionalities of Zoom, Google Meet, or Microsoft Teams will empower students to actively participate in discussions, collaborate with peers, and access learning materials conveniently.
2. **Establishing Effective Communication Channels:** Open lines of communication between tutors and students are crucial in virtual learning environments. Students should proactively engage with tutors, seek clarifications, and actively participate in virtual discussions and group activities. Tutors, in turn, should be readily available to address questions and concerns, providing timely guidance and support.
3. **Creating Engaging Learning Environments:** Tutors can employ various strategies to ensure virtual classes are engaging and interactive. This may include incorporating multimedia resources, interactive quizzes, breakout sessions, and group projects to foster collaborative learning experiences. Additionally, leveraging the chat and discussion features of virtual platforms can facilitate active student participation and enhance overall comprehension.

As Dinamico Consulting takes the initiative to introduce a 70-30 ratio of physical classes to virtual classes, we recognize the significant advantages that virtual learning brings in light of rising transportation costs and the overall cost of living. By embracing online platforms such as Zoom, Google Meet, or Microsoft Teams, both tutors and students can benefit from enhanced flexibility, cost-effectiveness, and the ability to create engaging learning environments. We encourage our clients to seize this new reality and take advantage of virtual learning, building upon the successful experiences of remote education during the Covid-19 pandemic. Together, we can create a sustainable and resilient learning ecosystem that empowers students and supports the growth of our tutors.

# DINAMICO CONSULTING AND TGROUP: EMPOWERING SOCIETY THROUGH COLLABORATION AND EXPERTISE.

Dinamico Consulting, a reputable provider of capacity building and development services, has recently joined forces with the TGroup to further enhance their offerings and create a more substantial impact in society. As part of this collaboration, Dinamico Consulting has outsourced its brand support and representation services to CCB, a leading provider of corporate communications, branding, and media services. Together with other businesses within the TGroup, such as Taxaide Professional Services, Taxtech, TGL, 21Search, AO2 LAW, Hessian Partners and many more, Dinamico Consulting aims to contribute to various sectors, including taxation, technology, logistics, legal services, and non-profit initiatives. This alliance represents a commitment to empowering individuals, organizations, and communities through collective expertise and shared values.

## EXPANDING SERVICE OFFERINGS:

The joining of Dinamico Consulting with the TGroup has expanded the range of services and expertise available to clients. By tapping into the resources and knowledge of various TGroup entities, Dinamico Consulting can provide comprehensive and integrated solutions to meet the evolving needs of its clientele. The collaboration brings together a diverse portfolio of services, encompassing tax management and compliance, process automation, data protection, logistics, manpower development, legal support, trusts management, family office services, and more. This comprehensive approach ensures that clients receive tailored solutions backed by specialized expertise, enabling them to thrive in today's dynamic business landscape.

## THE POWER OF COLLABORATION:

By joining forces, Dinamico Consulting and the TGroup foster a culture of collaboration and knowledge sharing. This synergy allows for the pooling of resources, skills, and experiences, resulting in enhanced service delivery and innovative problem-solving. The TGroup's collective strength amplifies the impact of each individual entity, creating a platform for cross-functional collaboration and a holistic approach to addressing client needs. With a shared commitment to excellence, the collaborative efforts of Dinamico Consulting and the TGroup generate greater value for clients, while also driving positive change in the society at large.

## EMPOWERING BUSINESSES AND COMMUNITIES:

Through its diverse range of services and initiatives, the TGroup, including Dinamico Consulting, is dedicated to empowering businesses and communities. The provision of capacity building and development services, tax management solutions, process automation, and legal support enables businesses to thrive and stay ahead in a competitive environment. Moreover, the TGroup's involvement in non-profit organizations, such as the Human Rights Foundation and the Richard Edith Foundation, demonstrates a commitment to social responsibility and making a meaningful impact on society. By leveraging expertise, resources, and strategic investments, the TGroup contributes to sustainable growth, social welfare, and the advancement of key sectors.

## LOOKING AHEAD:

The collaboration between Dinamico Consulting and the TGroup represents a significant milestone in providing comprehensive and integrated services to clients across various industries. By harnessing the collective expertise, resources, and synergies within the TGroup, Dinamico Consulting is poised to further strengthen its position as a leader in capacity building and development services. As technology advances and business landscapes evolve, this collaboration ensures that clients receive innovative, customized solutions to navigate challenges and seize opportunities effectively.

## CONCLUSION:

Dinamico Consulting's partnership with the TGroup marks an exciting chapter in its journey of empowering individuals, organizations, and communities. Through collaboration and a diverse range of services, including tax management, technology, logistics, legal support, and non-profit initiatives, the TGroup collectively delivers value-driven solutions. By leveraging collective expertise and shared values, Dinamico Consulting and the TGroup aim to foster growth, enhance resilience, and make a positive impact on society. Together, they forge a path towards a brighter future, empowering businesses and communities to thrive in an ever-changing world.

Our Principal Consultant, Olugbenga Sile, rejoins the TGroup as Partner, Nigeria-West Operations (WestOps) following a one-year leave of absence. In this official capacity, Olugbenga will play a pivotal role in ensuring operational excellence in the assigned states of Ondo, Ekiti, Osun, Oyo, Edo, Delta, Rivers, Bayelsa, Kwara, and Kogi. His primary focus will be on driving efficiency, effectiveness, and the delivery of high-quality services to achieve operational targets.

We welcome back **Olugbenga Sile** as *Partner, Nigeria-West Operations (WestOps)* at the TGroup. He will ensure operational excellence in assigned states and oversee brand performance. Additionally, he will manage media, corporate communications, and branding through CCB Ltd. His leadership and strategic initiatives will contribute to the Group's growth and success, maintaining a strong brand presence. We have full confidence in his abilities and look forward to achieving operational excellence together.

11th Floor, Ark Towers, 17 Ligali Ayorinde Street, Victoria Island, Lagos State.

070000MYCCB info@ccbiz.ng

As Partner, Olugbenga will oversee a diverse portfolio of brands within TGroup's WestOps. His responsibilities will encompass providing operational oversight and ensuring that these brands maintain the organization's standards of excellence.

Moreover, Olugbenga will take charge of managing media, corporate communications, and branding activities for all brands within the TGroup through CCB Ltd. He will be responsible for developing and implementing comprehensive communication strategies that enhance brand visibility, reputation, and stakeholder engagement across various platforms.

Through effective leadership, performance monitoring, and strategic initiatives, Olugbenga will contribute to the growth and success of the TGroup. His expertise and guidance will help maintain a consistent and impactful brand presence across diverse channels.

16th June 2023.

**INTER-SCHOOLS CHESS CHALLENGE - POSTPONEMENT NOTICE**

In response to numerous requests from our stakeholders, we would like to inform you that the Inter-Schools Chess Challenge, originally planned for 24th June 2023 has been postponed. This decision has been made to provide our participants with ample time to prepare for the tournament, considering the demands of the busy third term and end-of-session schedules. We understand the importance of minimizing interruptions and ensuring that all participants can fully engage in the event.

We have made some updates to the event details as follows:

1. The event will now be held on **Saturday, 23rd September 2023**. The venue for the event will be in Akure, Ondo State, and the exact location will be communicated ahead of the event.
2. Registration for the event is currently open and will close on **15th August 2023**. Participants will be selected on a first come, first served basis, although the final selection will be at the discretion of the organizers.
3. A 3-week pre-tournament training program will be organized for the shortlisted participants. The training sessions will take place on Saturdays between 10am and 2pm, starting from **1st August** and ending on **31st August 2023**. The venue for the training sessions will be communicated to the selected participants in the near future.
4. Participation in the tournament will be free of charge for the participants and their schools. However, any support in the form of cash or kind towards the event would be greatly appreciated and duly acknowledged.

Each school is encouraged to register a minimum of 2 participants and can register a maximum of 4 participants for the tournament. To complete the registration process, please use the following link: [www.bit.ly/ISCCRegister](http://www.bit.ly/ISCCRegister).

Thank you for your attention, and we are excitedly looking forward to your response.

## OUR TUTORS SPEAK

"During the second quarter of 2023, my student demonstrated tremendous progress. From struggling with basic concepts, he has now developed a solid understanding of advanced topics. His dedication and perseverance have paid off, and I couldn't be prouder of their achievements."

- J. O

"In this quarter, I witnessed significant growth in my student's strategic thinking in board games classes. She has become more adept at analyzing game situations, anticipating opponents' moves, and formulating effective strategies. It's a pleasure to see her development as a skilled and competitive player."

- A. P

"My student's writing skills flourished during our private English classes during this second quarter. She exhibited notable improvement in organizing ideas, using sophisticated vocabulary, and crafting compelling narratives. Her progress has been commendable, and I look forward to witnessing her continued growth."

- D. A

"Throughout the second quarter of 2023, my student made remarkable strides in public speaking and class debates. He demonstrated increased confidence, delivered persuasive speeches with poise, and engaged the audience effectively. It's gratifying to witness his growth as an eloquent and confident speaker."

- O. S

"During the second quarter of 2023, my student's coding abilities soared to new heights. He tackled complex programming challenges with confidence, applied advanced algorithms, and exhibited strong problem-solving skills. His enthusiasm and dedication to mastering coding continues to inspire me."

- E. A

"During the quarter, my student's curiosity and understanding of scientific concepts expanded significantly in our science classes. She actively engaged in hands-on experiments, asked insightful questions, and demonstrated a deeper appreciation for scientific principles. It's rewarding to witness their passion for learning and exploration."

- A. A

"Throughout the second quarter of 2023, my students' progress in chess has been phenomenal. They have honed their strategic thinking, developed better decision-making skills, and consistently outperformed opponents. Their dedication and commitment to improving their chess abilities are truly commendable."

- O. I
